Rehab and treatment facility cleaning: what we clean

Walk the house with your program director and mark each room as you go.

Program _____ **Address** _____

Walked by _____ **Date** _____

Resident bedrooms

- ☐ Dressers, sills and headboards dusted
- ☐ Light switches and door levers wiped
- ☐ Mirrors cleaned and wastebaskets emptied
- ☐ Floors vacuumed or damp-mopped
- ☐ Resident belongings, papers and photos left in place
- ☐ Serviced while residents are at group or meals

Showers and shared bathrooms

- ☐ Tile, grout lines and shower pans scrubbed
- ☐ Hair pulled from drains
- ☐ Faucets and mirrors polished
- ☐ Toilets, urinals and sinks disinfected
- ☐ Soap, towels and tissue restocked
- ☐ Wet floors dried before anyone walks in

Group, quiet and family rooms

- ☐ Chair arms and tabletops wiped between uses
- ☐ Upholstery vacuumed
- ☐ Whiteboard ledges cleared
- ☐ Quiet, visiting and meditation rooms kept uncluttered

Dining room and kitchenette

- ☐ Tables, chair backs and counters cleaned
- ☐ Sink, microwave inside and out, and fridge handles
- ☐ Coffee corner wiped down
- ☐ Bins emptied into your outdoor carts
- ☐ Floors under the tables mopped
- ☐ Full program kitchen, if added to the plan
